

About AfterShock

AFTERSHOCK is a 9-piece jazz-rock and R&B band from the Placerville/Sacramento area. Taking popular tunes from the 40's through the 80's, and arranging them in their own way with superb voicing's for their 4-horn section and powerful vocal harmonies, this band is designed to get you out of your seat and dancing in the aisles. We dare you to stay seated!

After their meeting in the late 90's "Philly' Joe Littel & Gerry Jonutz started what they hoped to be a "high energy", un-inhibited Funk, Jazz-rock, R & B band. The idea was not to limit the band to copying verbatim cover tunes, but add their individual twist to the music. This idea allowed the band to create what became a very distinctive sound that grooves and creates an energy that inspires you to get up and dance. The idea grew and evolved and after changing a few members and adding a few more in 2004 Aftershock was born and to this day continues to grow and improve it's musical dynamic.

Over the last six years, Aftershock's diverse repertoire has allowed the band to play a variety of venues throughout northern California. Some of their favorite events include; arts & wine festivals, brew fests, county fairs, Sacramento King's games, corporate events, private parties, weddings as well as local clubs and restaurants. Some of our favorite seasonal events include; The Power House Pub (Folsom), Placerville's Music in the Plaza, the Red Hawk Casino and The Sacramento Jazz Jubilee."
